Creating Better Together™

Course presentation

The aim of this scientific event is to increase scientific expertise on products, surgical techniques, clinical cases, tips & tricks and much more in hip and knee surgeries, by sharing experience and knowledge of clinical practice through presentations, case reviews and case discussion.

This event is led by world renowned faculties.

Chairman Knee

Prof. Stefan Eggli
Orthopädie Sonnenhof,
Berne, Switzerland

Prof. Nick London
The Yorkshire Knee Clinic
Harrogate, United Kingdom

Chairman Hip

Prof. Francesco Benazzo
Fondazione Poliambulanza
Brescia, Italy

Prof. Boris Holzapfel
Ludwig Maximilian University
Munich, Munich, Germany

Prof. Georgi Wassilew
Universität Greifswald
Greifswald, Germany

Faculty Knee

Dr. Paolo Adravanti
Casa di Cura Città di Parma,
Parma, Italy

Mr. Khalid Al-Dadah
Kingston Hospital NHS
Foundation Trust,
London, United Kingdom

Prof. Roland Becker
Universitätsklinikum
Brandenburg an der Havel,
Brandenburg, Germany

Prof. Chong-Bum Chang
Seoul National University
Bundang Hospital
Bundang, Republic of Korea

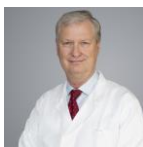

Mr. Guido Geutjens
Royal Derby Hospital, Derby,
United Kingdom

Prof. Jörg Lützner
Universitätsklinikum Carl
Gustav Carus,
Dresden, Germany

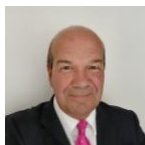

Prof. Thomas Luyckx
AZ Delta,
Roeselare, Belgium

Dr. Luca Marega
Ospedale San Camillo,
Trento, Italy

Dr. Libor Nečas
Orthopaedic Clinic Bory Hospital,
Bratislava, Slovakia

Mr. Paul Nicolai
Bury St Edmunds,
Suffolk, United Kingdom

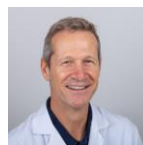

Prof. Régis Pailhe
Clinic Aguilera,
Biarritz, France

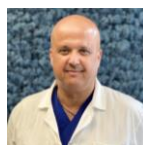

Dr. Justin Roe
Mater Hospital,
Sydney, Australia

Prof. Roberto Rossi
Mauriziano Umberto I Hospital,
Torino, Italy

Dr. Jonathan Spycher
Spit ler FMI Interlaken,
Unterseen, Switzerland

Dr. Alessandro Tripodo
Casa di Cura San Camillo,
Forte dei Marmi, Italy

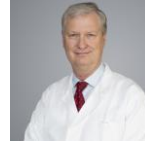

Faculty Hip

Prof. Olivier Borens
Clinique Bois-Cerf
Lausanne, Switzerland

Prof. Robert Hube
Orthopädische Chirurgie in München,
Munich, Germany

Dr. Luca Marega
Ospedale San Camillo,
Trento, Italy

Prof. Satoshi Nagoya
Sapporo Kojinkai Memorial Hospital
Sapporo, Japan

Prof. Nicolas Reina
Toulouse University Hospital,
Toulouse, France

Dr. Pedro Simas
Hospital Lusíadas Lisboa
Lisbon, Portugal

Dr. Jonathan Spycher
Spitäler FMI Interlaken,
Unterseen, Switzerland

Assoz. Prof. Martin Thaler
Helios Klinik München Perlach,
Munich, Germany

Mr. Hrvoje Vidakovic
NHS Golden Jubilee,
Clydebank, United Kingdom

Wednesday, April 2nd

Knee – Zaragoza meeting room 4° floor

12.30 pm	Lunch in <i>Toledo Room</i> – 3° floor of the Hotel Convention Center
02.00 pm	Welcome from Enovis
02.10 pm	Introduction to UKA day N. London
	The Past: "What we've learned" Moderator: N. London

02.25 pm	Why Fixed? N. London
02.35 pm	Why Physica ZUK? P. Nicolai
	The Present: "Where we are now - current practice" Moderator: G. Geutjens
02.50 pm	Historical indications and selection criteria T. Luyckx
03.00 pm	PFJ OA / Age / BMI N. London
03.10 pm	ACL deficiency P. Adravanti
03.20 pm	Bi-Uni or UKA with PFJA K. Al-Dadah
03.30 pm	Lateral UKA selection criteria A. Tripodo
03.40 pm	Consensus statement - Patient selection P. Nicolai
03.50 pm	Coffee break
04.20 pm	Clinical cases discussion Moderator K. Al-Dadah
	The Future: "Where do we go from here?" Moderator: N. London
05.20 pm	Revision and conversion of UKA G. Geutjens
05.30 pm	Assistive technology – current and future value K. Al-Dadah
05.40 pm	Panel Discussion: role of MedEd in UKA, future of UKA, assistive Tech Moderator: N. London
06.10 pm	Final remarks N. London
06.30 pm	End of the session
08.00 pm	Dinner at the hotel restaurant

Thursday, April 03rd

Knee – Zaragoza meeting room 4° floor

08.30 am Introduction to TKA day | S. Eggli

Kinematics

08.40 am TKA: Kinematics and Alignment | R. Becker

08.50 am The Kinematic Retaining design | L. Marega

09.00 am The Dual Pivot design | R. Pailhe

09.10 am Panel discussion | Moderator: J. Spycher

Materials and current challenges

09.30 am Registry data speaks | J. Lützner

09.40 am PJI and current challenges | C. Chang

09.50 am Materials in TKA and current challenges | R. Rossi

10.00 am Panel discussion | Moderator: R. Rossi

10.20 am Coffee break

Enabling technology

10.50 am Enabling technologies: where are we? | L. Nečas

04.00 pm	Coffee break
	Complex THA- A case-based discussion Moderators: F. Benazzo & N. Reina
04.30 pm	The difficult primary THA in deformities G. Wassilew
04.40 pm	... after high hip dislocation N. Reina
04.50 pm	... in acetabular fractures O. Borens
05.00 pm	Case discussion - What would you do? F. Benazzo
05.25 pm	Primary THA after spinal problems- my approach H. Vidakovic, L. Marega, M. Thaler
05.40 pm	Discussion F. Benazzo
06.00 pm	End of the session
07.45 pm	Meeting in the hotel lobby and bus transfer to the restaurant
08.30 pm	Dinner
10.45 pm	Transfer back to the hotel

Friday, April 04th

Hip – Zaragoza meeting room 4° floor

Revision in THA Moderators: G.Wassilew & B. Holzapfel

- 08.00 am Debate: treatment of massive acetabular defects or pelvic discontinuity: what options do we have at hand? | B. Holzapfel, R. Hube, F. Benazzo, O. Borens
- 08.40 am THA instability: Diagnostic algorithm | G. Wassilew
- 08.50 am THA instability: Therapy options | N. Reina
- 09.00 am Discussion | All
- 09.10 am Approaches and Extension in revision hip arthroplasty - Which way to go | G. Wassilew, H. Vidakovic, B. Holzapfel
- 09.40 am Treatment of femoral Paprosky 3b and 4 defects | R. Hube
- 09.50 am Modular or non-modular revision stems: which way to go? | F. Benazzo
- 10.00 am Revision of broken modular revision stems - a stepwise approach | O. Borens
- 10.10 am Discussion | All
- 10.40 am *Coffee break*

Technology in THA Moderators: F. Benazzo & R. Hube

- 11.10 am Pro | M. Thaler
- 11.20 am Con | N. Reina
- 11.30 am Discussion | All

Infection Moderators: B. Holzapfel & O. Borens

- 12.00 pm Diagnostics, Biomarkers | O. Borens
- 12.12 pm Infection DAIR, one stage or 2 stage | R. Hube
- 12.24 pm Case presentation: Amputation and Disarticulation (if nothing works) | F. Benazzo
- 12.36 pm Discussion & Final remarks | All
- 01.00 pm Lunch in Toledo meeting room – 3° floor
- Departures
